RESOLUTION NO. 91-'97

(On motion by SB Member Algabre and seconded by SB Member Lijauco)

RESOLUTION EXPRESSING INTEREST AND COMMITMENT TO THE CALA PHASE I SOLID WASTE MANAGEMENT PROJECT TO BE IMPLEMENTED UNDER THE SOLID WASTE ECOLOGICAL ENHANCEMENT PROGRAM OF THE DEPARTMENT OF ENVIRONMENT AND NATURAL RESOURCES.

WHEREAS, the Cavite-Laguna Urban Development and Environment Management (CALA) Project Phase I undertaken by the National Economic and Development Authority as a recipient of a technical assistance grant from the World Bank has just been completed;

WHEREAS, the CALA Project Phase I report revealed that one of the major concerns confronting the municipalities is solid waste management and that this has been confirmed in various consultation meetings with the local government officials;

WHEREAS, the municipalities of Santa Rosa, Binan, Santa Rosa, Cabuyao and Calamba validated that solid waste management is a common concern of the five (5) municipalities;

-2-

WHEREAS, the above-mentioned municipalities recognize the fact that the solution to the solid waste management should be approached at an inter-local government level;

WHEREAS, the President, in a memorandum dated April 30'-97 has approved the recommendation of DENR that a sanitary landfill is more advantageous as a disposal facility in Region IV;

WHEREAS, the Municipality of Santa Rosa is one of the municipalities participating in the CALA Project;

WHEREAS, the solid waste management component of CALA will be continued under the World Bank-assisted Solid Waste Ecological Enhancement Program (SWEEP) under the Department of Environment and Natural Resources;

NOW, THEREFORE BE, IT RESOLVED, AS IT IS HEREBY RESOLVED BY THE MUNICIPAL COUNCIL OF SANTA ROSA IN SESSION, the following expression of interest and commitment to continue and pursue the CALA Phase I Solid Waste Management Project:

1. The Municipality of Santa Rosa confirms the findings and accepts the recommendation of the CALA Phase I Solid Waste Management Sector Report.
2. The Municipality of Santa Rosa is committed to pursue the succeeding phases of the solid waste management project with technical and financial assistance from the Solid Waste Ecological Enhancement Program (SWEEP) of DENR.
3. That the Municipality of Santa Rosa will provide funds for the conduct of a waste generation and characterization survey with technical assistance from SWEEP.
4. That the Municipality of Santa Rosa will extend full cooperation in the data-generation aspect of the various surveys/studies to be conducted in Phase II.
5. That the Municipality is committed to an inter-municipal solution by utilizing a shared disposal facility.
6. That the Municipality of Santa Rosa will subscribed to the results of the sanitary landfill siting study.

-3-

7. That the Municipality of Santa Rosa is committed to provide counterpart funds and access additional credit jointly with the other municipalities to finance solid waste capital investment to be identified during Phase II.
8. That the Municipality of Santa Rosa is willing to impose user charges and other cost recovery measures to sustain the provision of solid waste management services.

-RESOLVED, FURTHER, that copies of this RESOLUTION be furnished the Honorable Secretary of the Department of Environment and Natural Resources and the Solid Waste Ecological Enhancement Program Management Office for their information and appropriate action.

APPROVED UNANIMOUSLY.
